

Middle School State Tournament Hotels

Since we have no idea how many will be attending this first championship tournament, it will be impossible to get special group rates from hotels. San Jose is a relatively expensive area for hotels. We have tried to find some that are fairly responsible and are still in a relatively safe area. These are only suggestions. You may be able to do better.

1. There are no hotels close to Leland High School.
2. All offer a free breakfast.
3. They are the closest ones reasonably priced.
4. They are the most economical. (\$125-\$175 dollar range) when we searched.
